

## **Sweet Excess**

Mmmmmm.....

First some shrimps!  
Then, tiny "imps"  
Fruit salads, four  
Or maybe more!  
Some liquorice laces  
And sweet necklaces  
My favourite! Coconut ice!  
Or maybe chocolate mice?  
Oooo! I'm never eating sweets again!  
The price of pleasure is definitely pain!  
I'll fall asleep, forget those sweets  
But instead I dream – of peppermint creams!
